

If we can't describe our lives, we don't exist.

Dear Friends of Live Bait,

Welcome to our 24<sup>th</sup> season! Our coming season continues our long tradition of providing top quality entertainment to the central Maritimes.

We've got a class Canadian musical that is as relevant today as it was when it premiered 25 years ago. We've got the return of one of our most popular performers in a brand new show celebrating country music. We've got the New Brunswick premiere of an award-winning Canadian play. And we're rounding out the year with our eighteenth annual holiday show, but with a twist: mostly music and lots of comedy at a down east kitchen party.

In addition to the above, we are constantly adding performances, fundraisers, concerts, readings and special events. Keep an eye on our website for the latest news. We're proud to be such an important part of the town of Sackville, the cultural life of the Maritimes and in the lives of you, our audience. Here's to a toe-tapping, gut-busting, thought-provoking season!
